## BASIC FACTS

**Est. Compl.:** TBD

**# Of Total Homes:** 224 Units

**Developer:** Onni Group of Companies

- Allwood Place is a mix of Craftsman- and Georgian-style townhomes. Steeply pitched roofs and large front porches
- are just a few of the character details that lend these contemporary homes a classic feel. Additionally
- as well as wooden window shutters and planter boxes
- Designed by renowned architect Taizo Yamamoto
- every Allwood home features a dedicated garage for easy storage and a private front or backyard for gardening and entertaining. Source: Allwood Place
